GCTBI's Mission, Goals and Vision:

Our Mission is to serve our local, national and international communities; by educating teaching and training ministers and various students in religious studies with futuristic sights to include secular academic curriculum. We strive to provide effective methodologies of delivery and enhance ministerial training that fosters unity among clergy and lay persons in fundamental doctrine through the Gospel of Jesus Christ.

The Goal of GCTBI is to qualitatively provide education that will enhance and increase the “perfecting of the saints, for the work of the ministry, for the edifying of the Body of Christ: till we all come in the unity of the faith, and knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ”. Ephesians 4:12–13

The Vision of GCTBI is to eventually be able to offer both in classroom and a without walls concept or virtual class room teacher and student experience to help facilitate widening accessibility for students and teachers alike.
